

# Burnsville Hockey Club

## Raffle Calendar Fundraiser

**Thank you** for considering supporting youth hockey in Burnsville/Eagan/Savage!

### **What is the purpose of this fundraiser?**

Youth sports are expensive! Equipment, facilities, insurance and travel expenses all add up. Without fundraising, many kids would not have the opportunity to engage in athletics. Sports are a great way to keep kids active and involved! The raffle calendars are a new endeavor for the BHC. You may be wondering why kids are not selling “cheesy bread” and pizzas. As a result of the closing of Benchwarmer Bob’s, we lost our pull-tab operation that contributed significantly to the operating costs of the BHC. A new approach was needed to fund operations while we are re-vamping our pull tab operation.

### **Who is selling the calendars?**

Players have each been given 12 calendars in consideration for their fundraising fee which they have already paid to the club to help offset the cost of playing hockey. You will make your checks out to the person who is asking you to purchase a calendar. They will keep the proceeds of your purchase.

### **How much does the calendar cost?**

The purchase price of the calendar is \$20

### **How do I win?**

The BHC will pull all winners on January 15th, 2008. Winning numbers will be posted each month on our WEB site at <http://www.blazehockey.com>.

### **Can I only win once?**

No! Your calendar ticket stub will be entered into each one of the 732 prize drawings. You have the chance to win multiple times!

### **What are my odds of winning?**

We have printed 6,000 calendars. Only calendars that are sold will be eligible for the drawings. If the BHC sells all 6,000 calendars, then your chance of winning in EACH drawing is 1:6000 for each drawing. For comparison, the odds of winning a \$100 prize in the Powerball range from 1:11,927 to 1:14,254!

### **How do I collect my winnings?**

The BHC will automatically issue checks to winners during the month of the winning number.

### **What prizes are available?**

Available prizes are listed on the back of each calendar from \$25 daily to \$350 holiday prizes - \$23,500 total prize money will be awarded!

### **What do I need to do?**

Fill out the stub on the back of the calendar, and the person you purchase the calendar from will deposit it in a safe at the Ice Rink. On January 15, 2008 we will pull the winning numbers.
